Virtual Intensive Training
April 26 – April 28, 2022

What: The Substance Abuse and Mental Health Services Administration invites National Network to Eliminate Disparities in Behavioral Health (NNED) members to participate in its twelfth annual training opportunity, NNEDEarn 2022. This year NNEDEarn will be fully virtual!

Who: NNED member community-based organizations serving racially and ethnically diverse populations.

When: The 3-day virtual intensive training sessions will be held **April 26-28, 2022 through Zoom**. In addition to these sessions, this training model includes two introductory webinars in March and April 2022, and four follow-up virtual coaching sessions from April to July 2022.

Goal: To develop members' skills in evidence-supported and culturally appropriate mental illness and substance use prevention and treatment practices and to support practice implementation.

Applications to participate in NNEDEarn 2022 are live on the [NNEDEarn website](#). This opportunity is only open to NNED members. To become a NNED member, [sign up here](#). There is no fee to join.
